Anacostia River

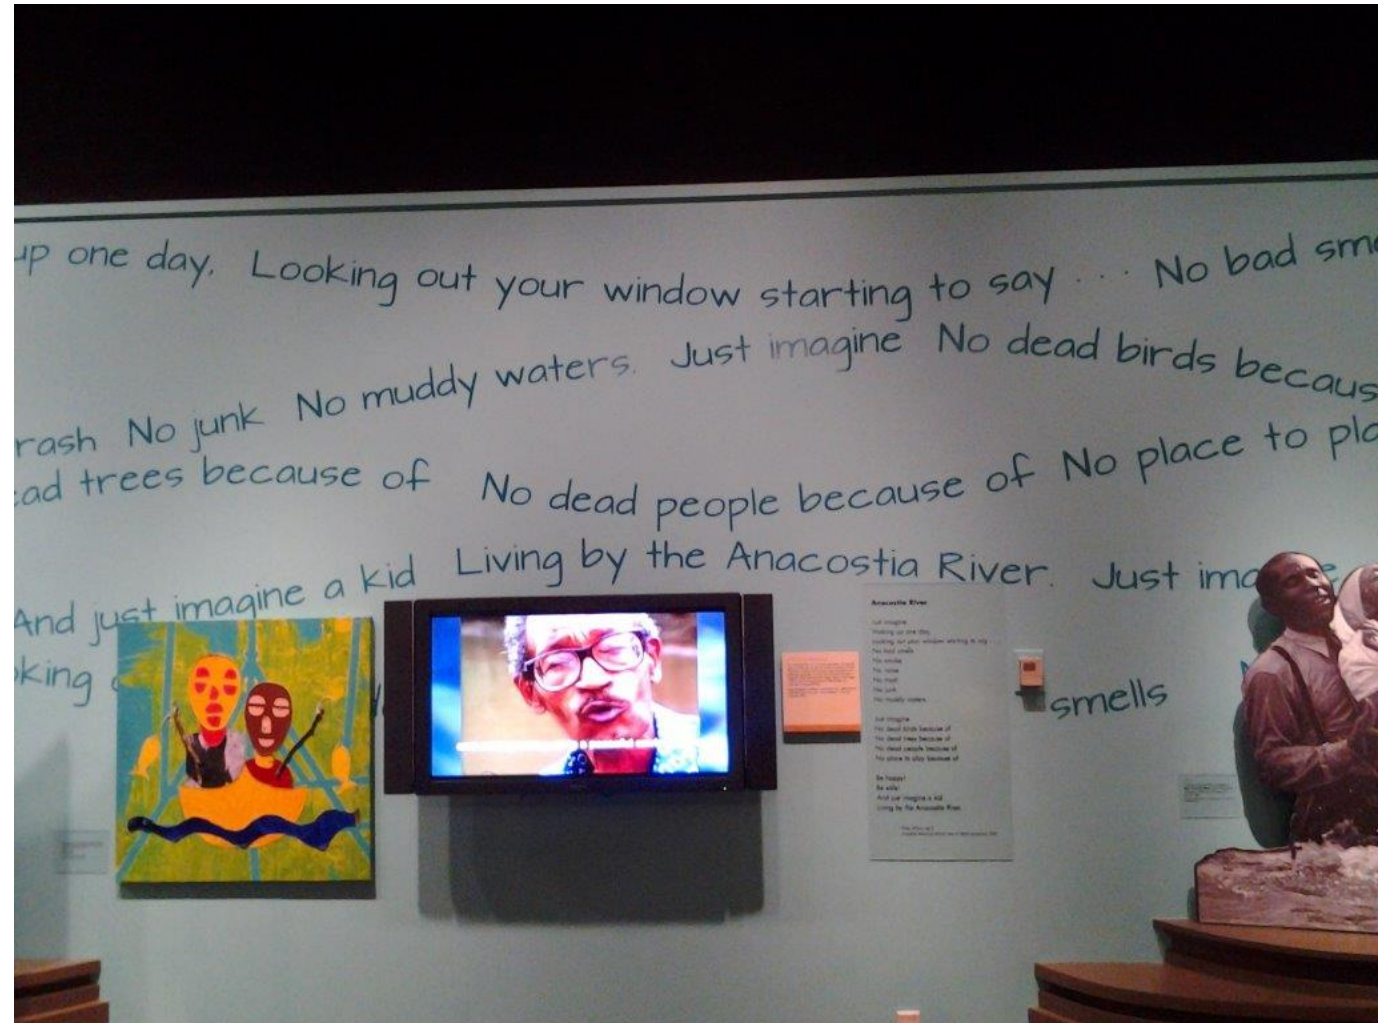

Just imagine
Waking up one day,
Looking out your window starting to say . . .
No bad smells
No smoke
No noise
No trash
No junk
No muddy waters.

Just imagine
No dead birds because of
No dead trees because of
No dead people because of
No place to play because of

Be happy!
Be safe!
And just imagine a kid
Living by the Anacostia River.

— El'Jay Johnson, age 8

Anacostia Watershed Winner, River of Words competition, 2000
